LONDON FIRST PARTNER OPPORTUNITIES

MISSION

London First is a business-led membership organisation which works to ensure London has the policies and investment necessary to strengthen its worldwide competitiveness.

Our Partners have a shared interest in London First's mission – to make London the best city in the world in which to do business. We work closely together in pursuit of this mission.

STRATEGY

We mobilise the experience, expertise and enthusiasm of the private sector to develop practical solutions to the challenges facing London.

We deliver our activities with the support of the capital's major businesses in key sectors such as finance, professional services, property, planning, healthcare, hospitality and retail. Membership also includes London's universities and education institutions. London First members represent over a quarter of London's GDP.

BENEFITS

As Partners we work with you to develop and implement a bespoke annual delivery plan designed to help you achieve objectives from your business plan in alignment with London First's objectives.

These can draw from the following benefits:

Policy Partner Regular opportunities to shape the development of our work to ensure that regional and national government policy meets the needs of business and strengthens London's competitiveness.

Early opportunities to provide thought leadership around new campaigns.

Business Insight Share in our knowledge and expertise of London issues including commissionable personal briefings on areas where we can add value to your business.

Campaign Engage more of your people more closely in London First campaigns, including major infrastructure projects, to help London retain its world city status.

Network Meet other senior members and stakeholders and engage in our programme of exclusive Partner events with business and political leaders who have a major influence on the capital's development. Priority invitations to all relevant London First events.

Enhanced Profile The opportunity to represent your sector amongst key influencers and raise your corporate and personal profile in London.

Partners are offered first refusal of hosting and speaking opportunities at our key events. Our website and events feature Partner branding.

Advocacy Where you identify an issue affecting a business sector in the capital which aligns to our mission we will work to help provide a solution and influence the relevant groups.

ACCOUNT MANAGEMENT

To ensure engagement and value, Partners are supported by an Account Director from our Executive Team, who will meet regularly to review your membership objectives and review progress.

MARTIN STANLEY

GLOBAL HEAD, MACQUARIE INFRASTRUCTURE AND REAL ASSETS, CHAIRED LONDON FIRST'S INFRASTRUCTURE COMMISSION

“Macquarie, and our managed companies, work to help improve the fabric of London. Our partnership with London First has enabled us to take this commitment a step further, by helping to shape the environment we work in. Being involved in the Infrastructure Commission gave us the opportunity to not only identify London’s long-term infrastructure needs but also to recommend policy solutions by which they might be met.”

ROY HILL

EUROPEAN MANAGING DIRECTOR, CH2M HILL

“CH2M Hill works with the public and private sectors to develop and deliver high profile programmes from the Olympic Park to Crossrail. London First events have provided us with a platform on which to engage with senior stakeholders and promote our brand to wider audiences across the city, whilst its extensive analysis of public policy continues to play a key role shaping the city’s future growth.”

IAN POWELL

CHAIRMAN AND SENIOR PARTNER, PwC, CO-CHAIRING THE LONDON FIRST COMPETITIVENESS STEERING GROUP

“PwC and London First have campaigned on strategic issues that impact on London and the UK. Our involvement in the development of Supporting UK growth while balancing the budget, illustrates London First’s role perfectly – deploying business expertise to design and pursue pragmatic approaches to the challenges facing London. The report had a tangible impact on Government and Opposition and strengthens the case for supporting the future success of the UK capital.”

DUNCAN INGRAM

GROUP DIRECTOR, BT GROUP

“London First brings together business leaders from many sectors with leading London stakeholders providing a useful forum to engage with peers and policymakers. London First’s programme of events and consultations, gives us additional insight into business technology requirements and face-to-face contact with the decision makers helping us to respond to and anticipate trends.”

EMMA GILTHORPE

DIRECTOR OF REGULATION, BAA

“London First knows London, its influencers, and how and where decisions are made, like no other organisation. BAA’s partnership with London First has enabled us to tap into that intimate knowledge and better understand the needs of business and their customers.”
